Home & Resort Xpods

xpod.co.in

An aerial view of a white, rectangular Xpod X7 luxury pod situated in a vast, terraced tea plantation. The pod has a flat roof with a skylight and a small balcony. The 'Xpod' logo is visible on the side and roof. The surrounding landscape is lush green with rolling hills and tea fields under a clear sky.

X7

The Xpod X7 is a 233 sq. ft. luxury pod with 270° glass views, air-conditioned interiors, balcony, kitchen, dining, washroom, wardrobe, and king-size bed. Built with durable insulated panels and premium finishes, it includes Alexa, smart switches, ambient lighting, automated curtains, CCTV, and mini-fridge. Customizable in size and color, with add-ons like solar panels, smart glass, sunroof, rooftop balcony, bathtub, projector, and jacuzzi.

A view of a white, rectangular Xpod X6 luxury pod nestled in a terraced tea plantation. The pod features large glass windows showing a furnished interior with a sofa and a bed. A small outdoor seating area with a table and chairs is visible next to the pod. The background shows rolling green hills and tea fields.

X6

The Xpod X6 is a luxury pod for homes and resorts with a 180° glass view, air-conditioned interiors, and amenities like king-size cot, sofa, teapoy, carpet, wardrobe with mirror, mini fridge, pantry, shower, and toilet. Measuring 4.8m x 3m x 2.5m, it includes ambient lighting, smart-lock entry with Wi-Fi switches, and premium finishes. Add-ons include rooftop balcony, smart toilets, solar panels, smart glass, smart curtains, projector, bathtub, shower jets, and jacuzzi, with customizable sizes and colors.

XPOD X7

The Xpod X7 represents the pinnacle of luxury in pod accommodations, featuring an expansive **270-degree panoramic view** through three large glass panels. It is equipped with comprehensive amenities, including a **washroom, toilet, kitchen pantry, dining**, and it is fully air-conditioned. The pod is tastefully furnished with a wardrobe and cot, and it includes a private balcony for enhanced comfort.
