X5x LUXURY 2BHK

The X5x Luxury 2BHK is built for shared stays without losing the premium XPOD feel. With a 17.6 m length and 606 sq ft, it features two private bedrooms, each supported with its own functional zones, while the signature capsule shell, immersive glass frontage, and warm minimal interiors keep the experience seamless. Ideal for families, couples traveling together, or resort setups that need higher occupancy with comfort and privacy.

L:17.6m | W:3.2m | H:2.75m

Total Area : 606 Sqft

**Sidetable | Kingsize cot with bed | Two-seater sofa with teatable
Lacquered wardrobe | Full-length mirror | Dining and working table
Pantry | Spacious washroom | Storage and utility spaces**

X5x LUXURY STUDIO

The X5x Luxury Studio delivers the full-size XPOD experience in a refined studio format. With a 17.6 m length and 606 sq ft, it offers a spacious layout with a sleeping zone, work desk, pantry, wardrobe storage, and a full bathroom, all wrapped in the signature capsule form with immersive glass frontage and warm minimal interiors. Ideal for premium resort stays and private retreats where space and comfort matter.

**Sidetable | Kingsize cot with bed | Two-seater sofa with teatable
Lacquered wardrobe | Full-length mirror | Dining and working table
Pantry | Spacious washroom | Storage and utility spaces**

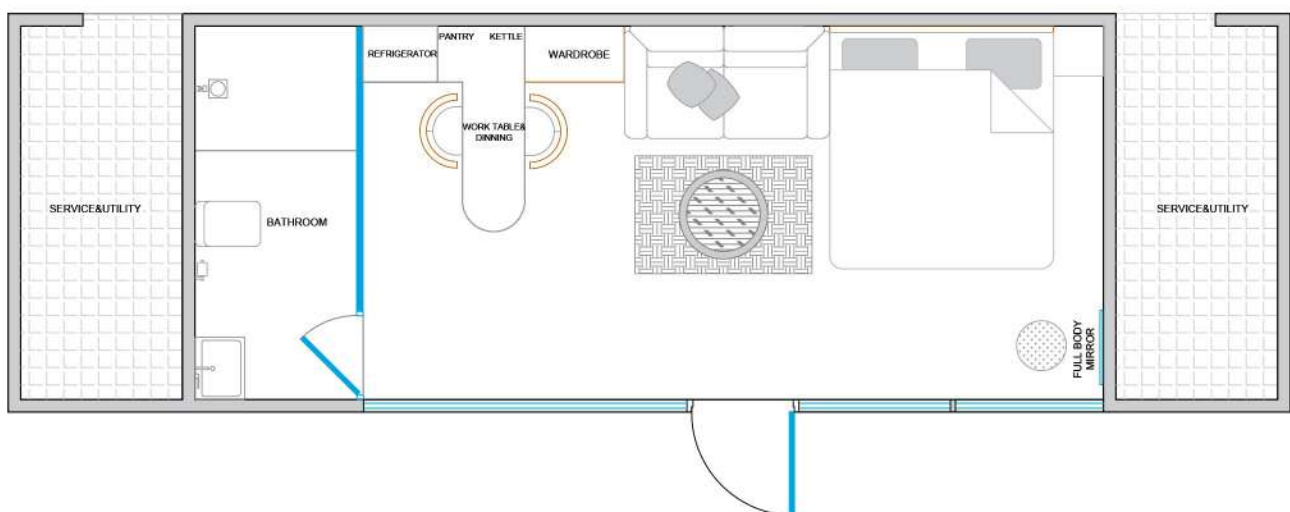

X5m PREMIUM STUDIO

The X5m Premium Studio is the smart mid-size option in the X5 range, offering the full XPOD design language in a more efficient footprint. With a 10.1 m length and 348 sq ft, it features a comfortable studio layout with a sleeping zone, lounge seating, a compact pantry and dining/work table, wardrobe storage, and a full bathroom. Ideal for premium resort stays where you want luxury, views, and fast placement without going oversized.

Total Area : 348 Sqft

**Sidetable | Kingsize cot with bed | Two-seater sofa with teatable
Lacquered wardrobe | Full-length mirror | Dining and working table
Pantry | Spacious washroom | Storage and utility spaces**

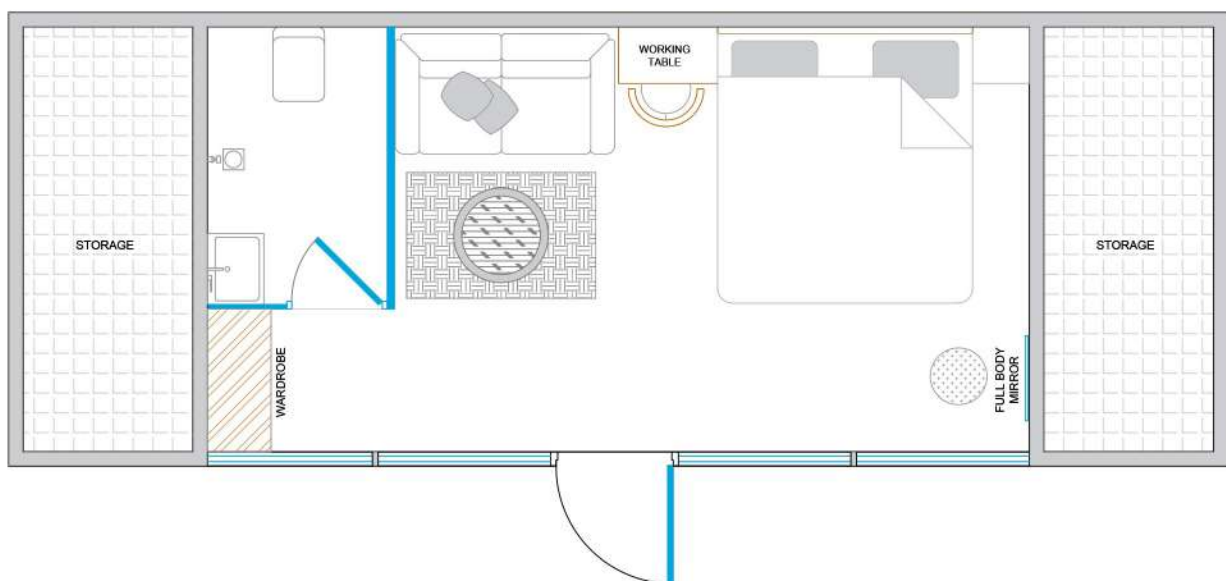

X5s COMPACT STUDIO

The X5s Compact Studio is the most space-efficient pod in the X5 series, built for premium stays where footprint matters. With an 8.6 m length and 296 sq ft, it delivers a complete studio setup with a sleeping zone, lounge seating, a compact work table, wardrobe storage, and a full bathroom, all within the signature capsule shell and immersive glass frontage. Perfect for resorts and destinations that want luxury placement in tighter sites without compromising the XPOD feel.
