About ^{XPOD}X6

XPOD X6 is a compact, high-efficiency portable prefab space built to deliver the signature XPOD experience in a smaller footprint. With the same capsule architecture, clean detailing, and immersive glass frontage, it's designed for premium stays where placement needs to be easy and space needs to be smart. The X6 lineup includes X6m (258 sq ft | 7.5 × 3.2 × 2.75 m) and X6s (207 sq ft | 6 × 3.2 × 2.75 m), making it ideal for resorts, retreats, and high-density stay setups without compromising comfort.

X6m LUXURY STUDIO

The X6M is designed for those who want the familiar elegance of the X6, with more breathing room. With an **extended length** of 7.5 meters, the X6M offers a noticeably more open and fluid interior while retaining the same minimalist language and panoramic experience.

L:7.5m | W:3.2m | H:2.75m

Total Area : 258 Sqft

Sidetable | Kingsize cot with bed | Two-seater sofa with teatable
Lacquered wardrobe | Full-length mirror | Dining and working table
Pantry | Spacious washroom | Storage and utility spaces

X6s COMPACT EDITION

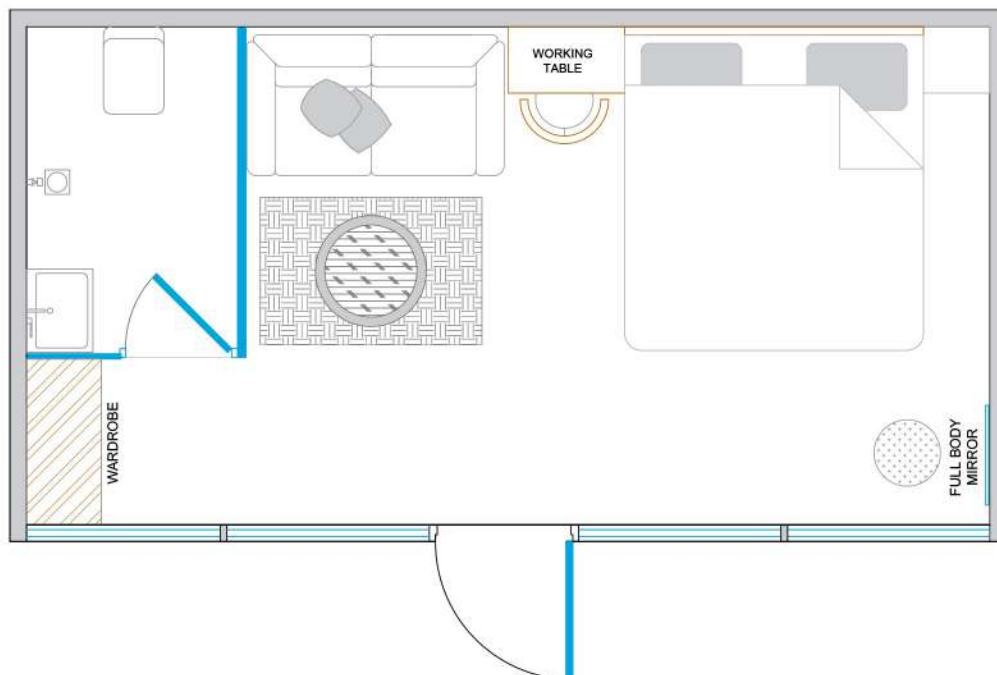

The X6S is built for those who want the signature X6 elegance in a more compact footprint. With a 6-meter length, it delivers a clean, efficient layout that feels open and uncluttered, while keeping the same minimalist design language and panoramic experience that defines the X6 series.

L:6m

W:3.2m

H:2.75m

Total Area : 207 Sqft

**Sidetable | Kingsize cot with bed | Two-seater sofa with teatable
